

# A TRAINING COLLEGE FOR TAILORS.

THE TAILOR & CUTTER ACADEMY & INSTITUTE OF BRITISH TAILORING

42, GERRARD STREET, SHAFTESBURY AVENUE, LONDON, W.

Special Individual Instruction—under the personal supervision of the Editor of "The Tailor and Cutter," and Author of "The Cutter's Practical Guide System"—in all branches and sections of the Art and Science of Cutting, Practical Tailoring, &c.

An important series of Lectures by trade experts and specialists will be given during the present term, a number of Prize Competitions of a special character are being arranged for, and many other novel and interesting features will be introduced.

The instruction given is individual in character.

Students can commence at any time.

Can be instructed in any special subject, or can go through a complete course, paying either by time or subjects.

Diplomas awarded according to proficiency.

Assistance given in securing situations.

Comfortable boarding accommodation provided if desired.

Practical Tailoring is practically taught, either separately or in conjunction with the cutting room tuition.

The System adopted, the "C.P.G." is the most successful and most popular in everyday use for all kinds and classes of garments.

Special attention devoted to Ladies' Tailoring, Military, Clerical, Juvenile and other Specialite branches.
